Sir:

Applicants request that a Certificate of Correction be issued to correct **the Second Assignee Name**, “National Institute of Information Communications and Technology Incorporated, Administrative Agency” to be **--National Institute of Information and Communications Technology Incorporated, Administrative Agency--** as it is shown on the assignment reel **016590**, frame **0889**, in the above-identified patent. The error to be corrected was caused by Applicant’s failure to properly complete the PTOL-85b form when the Issue Fee was paid in the application that issued as the patent. The failure to properly designate the Second Assignee Name information was an inadvertent clerical error.

A proposed Certificate of Correction is submitted herewith along with the payment of the amount of \$230.00 (\$100.00 fee for the Certificate of Correction and \$130.00 fee for filing this Petition) online. If any other fees are due, please charge Deposit Account No. 50-2866.
